

A Survey of LDS Congregations

Research Information Division

in association with the
Cooperative Congregational Studies Project

Read this page first.

PURPOSE

- This survey is sponsored by the LDS Church together with 40 other religious groups.
- The information will be used to develop a comprehensive picture of American religion at the beginning of the 21st century.

INSTRUCTIONS

- **Since leaders from different religious groups will answer the same questions, some of the language may be a little unfamiliar to you.**
- Read each question carefully and mark the answer you think best describes your situation. If you are unable to answer a question, skip it and continue.

Ward always means ward or branch.

- The information you provide is confidential. The ID number on the back is used to keep track of those who have returned a questionnaire.
- The questionnaire will be read by a scanning machine. Use a **# 2 BLACK PENCIL**, fill in the circles completely, and erase cleanly if you need to change your answer.

RIGHT WAY = ●

WRONG WAY = ∅ ⊗ ⊙

- **Please complete the questionnaire and return it within *two weeks*.**

QUESTIONS

- If you have any questions, call Bro. Perry Cunningham in the Research Information Division at Church headquarters.
